ERGONOMIC, STYLISH DESIGN...

Integra all-in-one touch screen terminals have no PC boxes or cables and therefore no messy installations to worry about. All terminals have a very small foot print, leaving more valuable counter space available for your shop. All Integra hardware is backed by a rock solid three year guarantee.

LOG IN SCREEN

Easy and secure touch screen login for your personnel using code, swipe card, tag or biometric finger print reader. Integra will also verify your forecourt attendant's tag – ensuring the tag is with the attendant who it was issued to. Clock in and clock out, manage your site personnel and maintain accurate duty time sheets.

PLACING ORDERS

Pumps, Oils, C-Store Stock, Restaurant – all integrated on one easy to navigate touch order screen.

Quick cash buttons mean no counting required and no counting errors. Integra can handle everything from restaurant management. Tabs, tables, split bills,

transfers right through to ringing up or scanning C-Store goods. Plus the integrated forecourt functionality pulls your pump sales directly through to your order screen.

NO MORE MESSY CASH-UPS...

No more messy and confusing cash up slips. Cash ups can now be done on touch screen.

Lost a cash-up? No problem, Integra keeps all history in memory. Easy count means no need to count cash, simply enter the number of units of money being counted and

Integra will do the counting for you. Security systems ensure that all cash handling and reconciliations are tied to the operator on shift at the time.
